LOVE IS

Love is sweet, Love is sour
Love grows every hour.

Love is holding hands
Love is wearing a wedding band.

Love is happy, Love is sad
Love is even getting mad.

Love is ugly, Love is pretty
Love is being together through the nitty-gritty.

Love is playing in the snow
Love is watching the Late, Late show.

Love is running together in the rain
Love is seeing old friends again.

Love is someone calling you on the phone
Love is someone caring when you're all alone.

Love is meek, Love is mild,
Love is giving birth to a child.

Love is a certain soft, sweet sound
Love can be found all around.

Love happens in all sorts of weather
Love is just being together.

Love is rich, Love is poor
Love can always spread a little more.

Love is loving every race
Love is smiling at every face.
